

## DFA 2010 Directory & Buyer's Guide Advertising ORDER FORM

- Ad order due by Jan 10, 2010
- Ad copy / artwork due by Jan 15, 2010

This resource directory, distributed in February 2010, has all the listings and contact information of the Franchisee and Vendor / Allied Partner community. This is the ONLY printed resource directory for our franchisee community representing more than 1200 restaurants. It also has general information about the association. Six Hundred (600) directories are printed and distributed each year and will be sent to all Denny's Franchisee Association Members and Allied Partner Members for their reference. Remember that this directory has a minimum of a one-year 'shelf life'.

Included in your Allied Membership are 2 free regular listings, one listed alphabetically and the other by category.

We also offer optional advertising to our Allied Partner Members. We have tab divider pages and advertising space (from 1/2 page to full page ads) available.
